Question and Answer Document

September 6, 2017

A public information session was held at the MassDEP Boston Office, One Winter St., Boston, MA on August 30, 2017. The purpose of that meeting was to publicly respond to any questions related to the Water Management Act Grant Request for Responses (RFR). Answers to the questions posed at the meeting and to questions emailed to MassDEP are below.

Q1. Are meter upgrades an eligible activity?

A1. Upgrades to meters on private property are not an eligible project. Upgrades to master meters may be an eligible project, depending on the specific activity.

Q2. Would a town's financial contribution to run water conservation education programs in their town be eligible as a match?

A2. Unless running the water conservation program is a new activity, and is included in the grant proposal, it would not be considered eligible as a match.
